Palziv Heavy Metals Declaration

Palziv Ltd. hereby declares that **Lead (Pb), Cadmium (Cd), Mercury (Hg), and Hexavalent Chromium (Cr VI)** are not intentionally added in the formulation or manufacture of any Palziv products.

Based on information provided by Palziv's approved raw material suppliers, together with Palziv's knowledge of its raw materials and manufacturing processes, Palziv confirms that its products comply with the heavy metal requirements of **Article 5(4) of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR)**.

This declaration applies to Palziv products as supplied by Palziv. Responsibility for determining the compliance of the finished packaging or packaged product with applicable legislation remains with the economic operator placing the packaging on the market.

Disclaimer

The information contained in this declaration is provided in good faith and is based on information available to Palziv at the date of issue, including information received from approved raw material suppliers and knowledge of Palziv's manufacturing processes.

While Palziv believes this information to be accurate, no warranty, expressed or implied, is given regarding its completeness or suitability for any specific application. Customers remain responsible for verifying the suitability of Palziv products for their intended use and for ensuring compliance of the finished packaging or packaged product with all applicable legal and regulatory requirements.
